Special Award classes. 15.1.22

Many thanks to the NCKCSS for inviting me to judge the Special Awards Classes at their open show and thank you to my very efficient steward Norma.

SAC Puppy.

1. Spall's Llapstam's Secret Seven. Handsome 9-month-old Ruby dog. Well-balanced throughout with good front and hindquarters. Moved soundly with level topline and correct tail set. Still a little immature in head and would prefer a slightly larger eye but good ear set and expression.
2. Bacon's Frondil Martha Chance at Timbric. 9-month-old Blenheim bitch. Very pretty headed, just showing a little white of eye. Moved confidently and soundly with such a happy disposition. Soft silky coat.
3. Kilcoyne's Granasil Crumble.

SAC Graduate.

1. Baylis' Castlewytch Infatuation. 1 year old Blenheim male with well broken markings and a beautiful yet masculine head. Large, melting dark eye. Good body and moved soundly.
2. Parson's Anjomil Harvest Moon. Heavily marked Blenheim bitch. Pretty head. In good coat. Typical happy temperament. Moved well with level topline at all times.
3. Knight's Queen of Hearts De Los Ursidos Kodiak at Carolus JW.

SAC Open.

1. Lovel's Lovetrac Theodora. Very pretty headed Blenheim bitch. Beautiful melting expression. Large dark eyes. Well broken rich chestnut markings on a beautiful silky coat in great condition. Well-balanced throughout with ample length of neck set into well laid shoulders. Moved so well and held her topline at all times.
2. Kynaston's Granasil Golden Nugget. Handsome 7yr old Ruby dog with a strong, masculine head, dark eyes and pigment. Showed and moved well. In excellent coat.
